Subject: FY 2022 RWHAP EHE Partial Awards

Dear Ryan White HIV/AIDS Program Parts A and B EHE Colleagues,

HRSA is in the process of issuing Notices of Award for FY 2022 RWHAP EHE cooperative agreements. Please note that HRSA is operating under a Continuing Resolution; therefore, this award provides partial funding (approximately 31%) based on the continuation of FY 2021 program requirements and funding levels. Final awards will be processed as soon as HRSA HAB receives the full FY 2022 appropriation amount for this program.

It is our hope that these funds will allow you to continue operating your program without service disruption. If you have any questions, please contact your project officer.

Thank you,
