

Hello my name is Danny Parker Sr.

First I would like to be involved and see Milo Grogan's growth, and to be a part in said growth. I have lived in Milo Grogan for about 5 years now at 800 E 3rd ave col OH. I know many of the residents in the area as well as business owners, I have also helped out around the community by doing Electrical work for the residents and the commissioners. What I would say makes Milo unique is how caring and passionate the community is to keep things running safe and like a huge family. I have been involved in many activities but here recently not so many and that is another reason I would like to be a commissioner to really be committed and help out more often. My top 3 priorities in milo would be to show other communities that milo is not what the outside communities think it is, to grow the community and make it bigger as well as make more people laugh and smile, lastly I would like to put in place something to watch over our seniors and take care of them a bit more. Finally I would be open for meetings and such, as well as set things aside to attend.
