Bio: I am from the Northeast Ohio area but have called South Eastmoor home since July 2017. I currently serve as the Treasurer on both the South Eastmoor Civic Association and the East Main St. Special Improvement District. I am passionate about improving the East side and am eager to learn more about how an Area Commissions functions. I am a CPA and I audit companies in the low-income housing industry (e.g., real estate developers, construction companies, and property management companies). While I may not have a direct impact on these people's lives, low-income housing is very complex and there are many industry players. It is nice to know I help in some way to give roofs over people's heads who would otherwise not have one. I recently got married in Morocco (May 2021) since my husband is from Casablanca. I frequently travel to Morocco and have had many amazing experiences there.
