Graduated from Indiana University of Pennsylvania, Cum Laude in Economics. Juris Doctorate from University of Missouri. Admitted to practice law in Ohio in 2018. I moved to Columbus in 2013 with Mayors Against Illegal Guns to work as a gun violence prevention organizer. I moved to the Hilltop in 2014, buying my first house on Wicklow Road. I later relocated to Nevada in 2015 to continue my gun violence prevention work, but returned to Ohio in 2016, where I bought my second house in the Hilltop, which is my home today. I currently work as a Data Analyst. I sought a seat on the Hilltop Area Commission, because I have a passion for zoning and good neighborhood design. I want to take both a legal and analytical perspective to zoning and land use, using the skills I have built over the years as a community organizer, data analyst, and volunteer attorney to help design a more accessible and friendly community on the Hilltop.
