**BACKGROUND:** This legislation authorizes the City Clerk to report to the Auditors Office of Franklin County, Ohio, all charges which are due to the City of Columbus, Department of Building and Zoning Services, and are certified for payment to said County Auditor in conformance with Sections 701.07 through 701.19 of the Columbus City Code for weed and solid waste removal. In the assessment period covered by this legislation (November 1<sup>st</sup>, 2021 through April 30<sup>th</sup>, 2022), owners of 185 properties within Columbus, shown on the attachment hereto, were notified to abate weed and solid waste nuisances. Those properties where violations were not abated were turned over to the Environmental Nuisance Weed and Solid Waste Program for compliance. Abatement was completed using the services of private and/or City contractors. This legislation provides for assessment of the costs associated with the weed and solid waste abatement process.

**FISCAL IMPACT:** This legislation provides a mechanism for recovery of costs associated with the weed and solid waste abatement program.
