estimated annual payroll of approximately \$2,649,700 at the proposed **Project Site** (“New Employees”).

The Director of the Department of Development is recommending that Council approve a 75%/10-year Enterprise Zone tax abatement on real property improvements made by the Enterprise at the **Project Site**, in consideration of it creating, or causing to be created, the New Employees.

SECTION 3. Based on this determination, City Council approves and authorizes a 10-year, 75% abatement on the increase in assessed valuation of real property on the **Project Site**, contingent upon the Enterprise investing approximately \$11 million in real property improvements by constructing an addition of approximately 120,000 square-foot Class A distribution and warehouse facility at 6611 Broughton Avenue, Columbus, Ohio 43213, identified as parcel number 010-241763, the retention of eighty-one (81) full-time jobs with an estimated annual payroll of approximately \$3.83 million and the creation fifty (50) net new full-time permanent positions with an estimated annual payroll of approximately \$2,649,700 at the **Project Site**.
