1. BACKGROUND

This ordinance authorizes the Director of Public Service to modify a professional services contract with Cultivate Geospatial Solutions, LLC to add additional funds for development of a SaaS (software as a service) solution for the Asset Information Management System project.

Ordinance 1568-2021 authorized the Director of Public Service to enter into a professional services contract with Cultivate Geospatial Solutions, LLC for the Asset Information Management System project. This is a planned modification that is necessary to cover the cost of work to develop a SaaS (software as a service) solution for the Asset Information Management System (AIMS). It was deemed to be more cost efficient to modify the existing contract than to bid this part of the work.

The original contract amount: \$650,000.00 (PO281991, Ord. 1568-2021)
 The total of Modification No. 1: \$196,820.00 (This Ordinance 2852-2022)

The contract amount including all modifications: \$846,820.00
