BACKGROUND: This legislation authorizes the Director of the Department of Development to appropriate Emergency Shelter Grant (ESG) funds in the amount of \$283,037, received from the U.S. Department of Housing and Urban Development (HUD), for the provision of homeless services and to enter into a contract with the Community Shelter Board, Inc. (CSB) for the administration of the City's Emergency Shelter Grant monies. Funds will be used to meet the housing needs identified in the Consolidated Plan submitted to HUD.

The contract will provide \$283,037 from the Emergency Shelter Grant for the purpose of continuing the city's support for homeless emergency shelters. The CSB will disburse the funds to various providers of services to homeless individuals and families, and will monitor those provider activities. The CSB has been selected because of their history with the city and the homeless service community in the coordination of emergency shelter services, as well as, the CSB's established administrative procedures to effectively and efficiently implement such services.

Emergency action is necessary to allow program services to continue without interruption.

FISCAL IMPACT: Funding of this legislation is from an Emergency Shelter Grant received from the U.S. Department of Housing and Urban Development. The City also provides funding to the Community Shelter Board from the General Fund and Community Development Block Grant budgets.

WHEREAS, the Director of the Department of Development desires to enter into a contract with the Community Shelter Board; and

WHEREAS, the City continues to support the Community Shelter Board's work with emergency shelters for homeless individuals and families; and
