**Council Variance Application: CV22-007**

**APPLICANT:** Michael and Kathryn Green; 458 East Whittier Street; Columbus, OH 43206.

**PROPOSED USE:** Two single-unit dwellings on one lot.

**COLUMBUS SOUTH SIDE AREA COMMISSION RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site consists of one parcel developed with a single-unit dwelling and detached garage in the R-2F, Residential District. The requested Council variance will permit the construction of a second single-unit dwelling at the rear of the property. A Council variance is necessary because the R-2F district permits only one- and two-unit dwellings and does not permit the arrangement of two single-unit dwellings on the same lot. The request includes variances to vision clearance for an existing fence, lot area, building lines, minimum and maximum side yards, rear yard, and a parking reduction from four spaces required to two spaces provided. The existing detached garage is within the required ten foot clear vision triangle at the intersection of the rear alley and South Washington Street, but a variance is not included due to concerns from the Division of Traffic Management, and if replaced, the garage will be relocated or a variance will be sought at that time. The site is within the planning boundaries of the *South Side Plan* (2014), which recommends “Medium-High Density” residential uses, and includes early adoption

of the *Columbus Citywide Planning Policies (C2P2)* Design Guidelines (2018). The proposal is consistent with the Plan's land use recommendation, does not add a new or intrusive use to the neighborhood, and is compatible with the recent development pattern in historic urban neighborhoods.

To grant a Variance from the provisions of Sections 3332.037, R-2F residential district; 3312.49(C), Minimum numbers of parking spaces required; 3321.05(A)(2) and (B)(2), Vision clearance; 3332.14, R-2F area district requirements; 3332.21, Building lines; 3332.26(C), Minimum side yard permitted; and 3332.27, Rear yard, of the Columbus City Codes; for the property located at **458 E. WHITTIER ST. (43206)**, to permit two single-unit dwellings on the same lot with reduced development standards in the R-2F, Residential District (Council Variance #CV22-007).

**WHEREAS**, by application #CV22-007, the owner of the property at **458 E. WHITTIER ST. (43206)**, is requesting a Variance to permit two single-unit dwellings on the same lot with reduced development standards in the R-2F, Residential District; and

**WHEREAS**, Section 3332.037, R-2F, residential district use, permits one single-unit dwelling or one two-unit dwelling, while the applicant proposes to construct a rear single-unit dwelling on a lot developed with an existing single-unit dwelling; and

**WHEREAS**, Section 3312.49, Minimum numbers of parking spaces required, requires two parking spaces per dwelling unit, or four spaces total for two units, while the applicant proposes two total parking spaces; and

**WHEREAS**, Section 3321.05(A)(2) and (B)(2), Vision clearance, requires a clear vision triangle of 12 feet at the intersection of a driveway and the street right-of-way, and prevents a fence between 2.5 - 6 feet above finished grade within said area from having an opacity of greater than 25 percent; and that a right angle clear vision triangle of 30 feet shall be maintained on each residential lot adjacent to a street intersection, and prevents a fence with a height greater than 2.5 feet within said area; while the applicant proposes to maintain the existing fence with an increased opacity of 31 percent within the clear vision triangle at the intersection of the driveway and South Washington Avenue, and an increased height of 4 feet within the clear vision triangle at the intersection of East Whittier Street and South Washington Avenue; and

**WHEREAS**, Section 3332.14, R-2F area district requirements, requires a single-unit dwelling or other principal building to be situated on a lot of no less than 6,000 square feet in area, while the applicant proposes two separate single-unit dwellings on a lot with 5,940 square feet (2,970 square feet per unit); and

**WHEREAS**, Section 3332.21(D)(2), Building lines, requires a minimum setback from the right-of-way line of 10 feet, while the applicant proposes to maintain a zero foot setback for the existing detached garage along South Washington Street and 7 feet for the existing single-unit dwelling along East Whittier Street; and

**WHEREAS**, Section 3332.26, Minimum side yard permitted, requires a minimum side yard of five feet for lots more than 40 feet wide, while the applicant proposes to maintain a side yard of approximately 1.9 feet along the western property line for the existing single-unit dwelling, and proposes a side yard of 2.25 feet along the western property line for the new rear single-unit dwelling; and

**WHEREAS**, Section 3332.27, Rear yard, requires a rear yard totaling no less than 25 percent of the lot area for each dwelling, while the applicant proposes no rear yard for the rear single-unit dwelling; and

**WHEREAS**, the Columbus South Side Area Commission recommends approval; and

**WHEREAS**, City Departments recommend approval because the requested Council variance is consistent with the *South Side Plan's* recommended land use for this property, compatible with the recent development pattern in historic urban neighborhoods, and will not introduce a new or intrusive use; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed rear single-unit dwelling; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **458 E. WHITTIER ST. (43206)**, in using said property as desired; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
