Background: This ordinance authorizes the Department of Finance and Management, Fleet Management Division, to modify its existing contract with Ace Truck Body, Inc., to increase the contract amount. The original contract was awarded per the results of bid solicitation RFQ019251.

The original contract was entered into on October 18, 2021. The contract was established for \$74,495.00 and Ace Truck Body was the only respondent. Since the initial quote was issued the manufacturer of the service truck has experienced a price increase due to the increasing cost of steel and auto parts, and can only hold pricing for orders received prior to that increase, thereby an additional \$8,000.00 is being requested

This company is not debarred according to the Federal excluded parties listing or prohibited from being awarded a contract to the Auditor of State unresolved findings for recovery certified search.

Ace Truck Body Inc., (CC#: 310936828, exp. 9/7/23, MAJ) \$8,000.00

Fiscal Impact: This ordinance authorizes an appropriation and expenditure of \$8,000.00 from the Fleet Management Capital Fund with Ace Truck Body, Inc. for the purchase of one (1) tire service truck upfitting. The ordinance also authorizes the transfer of funds between projects within the Fleet Management Capital Fund and an amendment to the CIB. For 2021, the Fleet Management Division budgeted \$800,000 for capital funded projects. In 2020 \$101,223 was expended for capital funded projects.

Emergency action is requested. Market volatility and supply chain issues have created unpredictable price increases in the automobile industry. In order to avoid any potential additional increases, emergency action is respectfully requested.

To authorize the Finance and Management Director to modify a contract on behalf of the Fleet Management Division

with Ace Truck Body Inc. for the purchase of one (1) tire service truck upfitting; to amend the 2021 Capital Improvement Budget; and to authorize the transfer within and the expenditure of \$8,000.00 from the Fleet Management Capital Fund; and to declare an emergency. (\$8,000.00)

WHEREAS, a need exists to modify the contract for the purchase of one (1) tire service truck upfitting for use by the Division of Fleet Management located on Groves Road, and
