**BACKGROUND:**

Funding for the life insurance program is necessary to insure continuation of the program in accordance with the negotiated labor contracts. The Human Resources Department requests to contract with The Hartford Life and Accident Insurance Company and to provide funding from February 1, 2022 through January 31, 2023 for this program.

The effective date for the contract is February 1, 2021; the contract term is 3 years, with two (2) one (1) year renewals. This represents year two of the three year contract.

The cost estimate for 2022 are based on 2021 benefits fund expenditures and expected changes due to union negotiations. The life insurance premium remains unchanged.

Emergency action is requested to ensure the life insurance program for city employees is able to commence as soon as contractually possible, thereby maintaining continuity of service.

**FISCAL IMPACT:** Funding is available in the 2022 Employee Benefits Fund for this contract. This ordinance is contingent on the passage of the 2022 insurance appropriation ordinance 0014-2022.
