BACKGROUND:

The Franklin County Municipal Court Judges, in cooperation with the Department of Technology, has established an Information Technology Department within the Court (Ord 1108-2022). This ordinance authorizes the Administrative and Presiding Judge of the Franklin County Municipal Court to enter into contract with Proteam Solutions Inc. for two IT service desk technician consultants.

The Court received 3 proposals in response to an informal bid request. Proposals were received from Proteam Solutions (PSI), Insight Global, and OST - State of Ohio Contract. Proteam Solutions Inc. provided a proposal best able to meet the needs and requirements of the Court.

The Franklin County Municipal Court Administrative and Presiding Judge respectfully asks for a waiver of the competitive bidding requirements of Section 329 because the Court has determined, due to the establishment of the Court IT Department and discontinuation of current services, the Court has an extreme need to obtain service technicians to handle the daily needs of the Judges and staff.
