Rezoning Application Z22-025

APPLICANT: The Ohio State University; and the State of Ohio; c/o Jeffery L. Brown, Atty.; 37 West Broad Street, Suite 460; Columbus, OH 43215.

PROPOSED USE: Parking lot expansion for existing medical clinic.

DEVELOPMENT COMMISSION RECOMMENDATION: Approval (5-0-1) on July 14, 2022.

NEAR EAST AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The 9.9± acre site consists of one parcel developed with a medical clinic zoned in the CPD, Commercial Planned Development District, and an undeveloped parcel zoned in the M-2, Manufacturing District. The requested CPD, Commercial Planned Development District will permit a parking lot expansion for the existing medical office, and is comprised of two subareas: Subarea A, the medical clinic within the existing CPD district (Z18-069), and Subarea C, the site of the proposed parking lot. Subarea B of Z18-069 is not included in this rezoning request, and will likely be rezoned for a future project. The CPD text includes use restrictions,

and supplemental development standards addressing building height, parking setbacks, lot coverage, traffic access, off-site traffic improvements, bicycle parking, street trees, landscaping, and graphics provisions. Modifications of code standards to permit parcel lines to divide maneuvering areas and parking spaces, to eliminate parking lot trees in Subarea C, and to exceed the maximum number of parking spaces for the medical clinic are included in the text. The requested CPD is consistent with the *Near East Area Plan's* (2005) land use recommendation for "Office/Light Industrial/Mixed Uses" at this location.

To rezone **543 TAYLOR AVE. (43203)**, being 9.9± acres located at the southwest corner of Taylor Avenue and Leonard Avenue, **From:** CPD, Commercial Planned Development District and M-2, Manufacturing District, **To:** CPD, Commercial Planned Development District (Rezoning #Z22-025).

WHEREAS, application #Z22-025 is on file with the Department of Building and Zoning Services requesting rezoning of 9.9± acres from CPD, Commercial Planned Development District and M-2, Manufacturing District, to CPD, Commercial Planned Development District; and

WHEREAS, the Development Commission recommends approval of said zoning change; and

WHEREAS, the Near East Area Commission recommends approval of said zoning change; and

WHEREAS, the City Departments recommend approval of said zoning change because the requested CPD, Commercial Planned Development District will permit a parking lot expansion for an existing medical clinic consistent with the *Near East Area Plan's* land use recommendation for "Office/Light Industrial/Mixed Use" at this location; now, therefore:
