### Council Variance Application: CV22-060

**APPLICANT:** Jeffrey Steele; c/o Daniel Mayer; P.O. Box 12802; Columbus, OH 43212.

**PROPOSED USE:** Two-unit dwelling and five-unit apartment building.

**NEAR EAST AREA COMMISSION RECOMMENDATION:** Approval.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The site is undeveloped in the R-3, Residential District. The requested Council variance will permit the development of a two-unit dwelling and five-unit apartment building with a shared rear yard. A Council variance is necessary because the R-3 district only permits one single-unit dwelling per lot. The site is within the boundaries of the *Near East Area Plan* (2005), which does not recommend a specific land use at this location, but states that the overall goal for incorporating new construction into the neighborhood is compatibility achieved through quality design, and that parking should be placed behind buildings and screened appropriately. The Planning Division staff is in support of the proposed elevations, as the request includes design elements that are

compatible with surrounding structures, and consistent with the design recommendations of the *Near East Area Plan*.

To grant a Variance from the provisions of Sections 3332.035, R-3 residential district; and 3332.27, Rear yard, of the Columbus City Codes; for the property located at **1223 E. RICH ST. (43205)**, to permit a two-unit dwelling and five-unit apartment building on the same lot with a shared rear yard in the R-3, Residential District (Council Variance #CV22-060 )...and to declare an emergency.

**WHEREAS**, by application #CV22-060, the owner of the property at **1223 E. RICH ST. (43205)**, is requesting a Variance to permit a two-unit dwelling and five-unit apartment building on the same lot with a shared rear yard in the R-3, Residential District; and

**WHEREAS**, Section 3332.035, R-3 residential district, permits only one single-unit dwelling per lot, while the applicant proposes a two-unit dwelling and five-unit apartment building on the same lot; and

**WHEREAS**, Section 3332.27, Rear yard, requires a rear yard totaling no less than 25 percent of the lot area for each dwelling, while the applicant proposes for the two-unit dwelling and five-unit apartment building to share the required rear yard; and

**WHEREAS**, the Near East Area Commission recommends approval; and

**WHEREAS**, City Departments recommend approval because the requested variances would permit a development consistent in character and scale with residential buildings on surrounding properties, and with the design recommendations of the *Near East Area Plan*; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed uses; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **1223 E. RICH ST. (43205)**, in using said property as desired;

**WHEREAS**, an emergency exists in the usual daily operation in the City of Columbus in that it is immediately necessary to pass this ordinance due to the need to allow for submission of building permit approval so construction can start before the end of 2022 for the immediate preservation of the public peace, property, health and safety; now, therefore:

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**

**SECTION 1.** That a variance is hereby granted from the provisions of Sections 3332.035, R-3 residential district; and 3332.27, Rear yard, of the Columbus City Codes, for the property located at **1223 E. RICH ST. (43205)**, insofar as said sections prohibit a two-unit dwelling and five-unit apartment building on the same lot in the R-3, Residential District; with the dwelling and apartment building sharing the required rear yard; said property being more particularly described as follows:

**1223 E. RICH ST. (43205)**, being 0.21± acres located at the southeast corner of East Rich Street and Wilson Avenue, and

being more particularly described as follows:
