Council Variance Application: CV22-050

APPLICANT: Juliet Bullock Architects; c/o Juliet Bullock, Arch.; 4886 Olentangy Boulevard; Columbus, OH 43214.

PROPOSED USE: Residential development.

NORTH CENTRAL AREA COMMISSION RECOMMENDATION: Approval.

CITY DEPARTMENTS' RECOMMENDATION: Approval. The site consists of three undeveloped parcels in the R-2, Residential District. The requested Council variance will permit a total of six single-unit dwellings on one parcel. A Council variance is required because the R-2 district only permits one single-unit dwelling per lot. Variances for area district requirements, fronting, building setbacks, and rear yard are included in this request. The site is located within the planning boundaries of the *North Central Plan* (2002), which recommends "Single-Family Residential" land uses at this location. The proposed development is consistent with the *North Central Plan's* land use recommendation, and includes a site plan demonstrating sidewalk, landscaping, and street trees along the Parkwood Avenue frontage, consistent with the Plan's design guidelines.

To grant a Variance from the provisions of Sections 3332.033, R-2 residential district; 3332.12, R-2 area district requirements; 3332.19, Fronting; 3332.21(B), Building lines; and 3332.27, Rear yard, of the Columbus City Codes; for the property located at **2084 PARKWOOD AVE. (43219)**, to permit six single-unit dwellings on the same lot with reduced development standards in the R-2, Residential District (Council Variance #CV22-050).

WHEREAS, by application #CV22-050, the owner of the property at **2084 PARKWOOD AVE. (43219)**, is requesting a Variance to permit six single-unit dwellings on the same lot with reduced development standards in the R-2, Residential District; and

WHEREAS, Section 3332.033, R-2, residential district use, only permits one single-unit dwelling on one lot, while the applicant proposes to construct six single-unit dwellings on one lot; and

WHEREAS, Section 3332.12, R-2 area district requirements, requires that any dwelling or other principal building shall be situated on a lot of no less than 5,000 square feet in area, while the applicant proposes six single-unit dwellings on one 22,082.9 square foot lot for approximately 3,680 square feet per dwelling; and

WHEREAS, Section 3332.19, Fronting, requires a dwelling to have frontage on a public street, while the applicant proposes dwelling Units C, D, E, and F to not front a public street; and

WHEREAS, Section 3332.21(B), Building lines, requires a minimum building setback line of 25 feet from Parkwood Avenue, while the applicant proposes building setback lines of 6.74 feet for Unit A, and 7.4 feet for Unit B along Parkwood Avenue, as depicted on the site plan; and

WHEREAS, Section 3332.27, Rear yard, requires that each dwelling, apartment house, or other principal building shall be erected so as to provide a rear yard totaling not less than 25 percent of the total lot area, while the applicant proposes a rear yard of approximately 2,167.6 square feet or 9.5 percent, which is to be shared by the six single-unit dwellings; and

WHEREAS, the North Central Area Commission recommends approval; and

WHEREAS, City Departments recommend approval because the requested Council variance is consistent with the recommendations of “Single-family residential” land uses in the *North Central Plan*, and will not introduce an incompatible use; and

WHEREAS, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed use; and

WHEREAS, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

WHEREAS, the granting of said variance will not impair an adequate supply of light and air to adjacent properties or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals, or welfare of the inhabitants of the City of Columbus; and

WHEREAS, the granting of said variance will alleviate the difficulties encountered by the owners of the property located at **2084 PARKWOOD AVE. (43219)**, in using said property as desired; now, therefore:

BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:

SECTION 1. That a variance is hereby granted from the provisions of Sections 3332.033, R-2 residential district; 3332.12, R-2 area district requirements; 3332.19, Fronting; 3332.21(B), Building lines; and 3332.27, Rear yard; for the property located at **2084 PARKWOOD AVE. (43219)**, insofar as said sections prohibit six single-unit dwellings on one lot in the R-2, Residential District; with a reduced lot area from 5,000 square feet to approximately 3,680 square feet per

dwelling; no frontage on a public street for Units C, D, E, and F; a reduced building setback line from 25 feet along Parkwood Avenue to 6.74 feet for Unit A, and 7.4 feet for Unit B; and a reduced rear yard from 25 percent to 9.5 percent, shared by the six single-unit dwellings; said property being more particularly described as follows:
