An additional \$150,000.00 is needed for services through the remainder of the year and for the months of January and February, 2023 resulting in a total of \$1,263,666.00 for the fiscal year of 2022. This ordinance also authorizes the Finance and Management Director to purchase additional jet fuel with Arrow Energy for the helicopters based on the current universal term contract. This purchase of jet fuel will permit the helicopters to continue full operations through February 2023.
