BACKGROUND: The Department of Finance and Management, Grants Management Section anticipates an annual entitlement funding award for the Community Development Block Grant (CDBG) program from the U.S. Department of Housing and Urban Development (HUD). This ordinance is needed to appropriate and authorize the expenditure of a portion of the CDBG award in order to post timely financial transactions for grant-funded programs. There will be subsequent ordinances submitted to appropriate the remaining grant funds, and authorize additional Subrecipient Agreements and expenditures for various CDBG activities.

The Community Development Block Grant (CDBG) Entitlement Program provides annual grants on a formula basis to cities and counties to develop viable urban communities by providing decent housing and a suitable living environment, and by expanding economic opportunities, principally for low-and moderate-income persons. All City CDBG expenditures must be consistent with the community needs, priorities, and strategies stated in the City's 2020-2024 Consolidated Plan, as approved by HUD.

The appropriations requested in this ordinance align with the Draft FY 2023 Annual Action Plan and are contingent on approval of the Draft FY 2023 Annual Action Plan through Ordinance #3353-2022. Listed below are the programs and Subrecipient Agreements funded by the actions outlined in this Ordinance.

FISCAL IMPACT: The CDBG program is primarily funded with entitlement awards by the U.S. Department of Housing and Urban Development. However, certain grant programs may generate revenue that must be spent on furthering CDBG programming as required by the grantor. The anticipated PY 2023 entitlement award is estimated at \$7,500,000.00. This ordinance will authorize the appropriation and expenditure of \$3,883,940.00 (Fund 2248).
