1. BACKGROUND

The City of Columbus, Department of Public Service, Division of Infrastructure Management, received a request from the property owner, Since 1797 LLC, asking that the City allow the building located at 1404 Granville Street to remain encroaching into the public right-of-way for their project. The project is located along the west side of Graham Street. This project is a renovation of the building to modify it into two (2) family dwelling units and the existing encroachment consist of below ground and above building structure. This structure was built in approximately 1920 and protrudes into the public right-of-way as described below and shown on the attached exhibit. The following legislation authorizes the Director of the Department of Public Service to execute those documents necessary for the City to grant this encroachment and legally allow the building to remain extended into the public rights-of-way. Allowing this structure to remain will enhance the building and keep the original foundation in place. A value of \$500.00 for the encroachment easement was established.

2. FISCAL IMPACT

The City will receive a total of \$500.00, to be deposited in Fund 7748, Project P537650, for granting the requested encroachment easement.

To authorize the Director of the Department of Public Service to execute those documents necessary for the City to grant an encroachment and legally allow the building located at 1404 Granville Street to remain extended into the public rights-of-way. (\$0.00)

WHEREAS, the City of Columbus, Department of Public Service, Division of Infrastructure Management, received a request from the property owner, Since 1797 LLC, asking that the City allow the building located at 1404 Granville Street to remain encroaching into the public right-of-way, for their project.
