1.0 BACKGROUND

This ordinance authorizes a contract modification to the Department of Public Utilities 2020-2022 Construction Administration and Inspection Services contract with Stantec Consulting Services to provide construction administration and construction inspection oversight of the Norris Drive Area Water Line Improvements project, CIP #690236-100124.

The 2020-2022 Construction Administration and Inspection Services contract provides administration and inspection oversight of Public Utilities construction projects to ensure that work is consistent with and conforms to plans and specifications, and that the construction and any associated issues are handled efficiently and in the best interest of the City of Columbus. This contract was bid with the intention of modifying it as construction contracts were awarded to add funding for the administration and inspection services needed for those contracts.

The Norris Drive Area Water Line Improvements project will perform work in the following Columbus Community Areas: 40 - Linden; 33 - Rocky-Fork/Blacklick; 35 - Northland.

1.2. Reasons additional goods/services could not be foreseen:

This is a three-year agreement for fiscal years 2020 - 2022 and modifications were anticipated and explained in the original legislation under Ordinance No. 0130-2020.

1.3. Reason other procurement processes are not used:

This is a multiyear contract that will be modified as required to provide construction administration/inspection services for construction projects bid during the three year (2020-2022) timeframe.

1.4. How cost of modification was determined:

The cost of Modification No. 14 was determined by negotiations between Stantec Consulting Services and the Division of Water.

2.0 ECONOMIC IMPACT/ADVANTAGES; COMMUNITY OUTREACH; PROJECT DEVELOPMENT; ENVIRONMENTAL FACTORS/ADVANTAGES OF PROJECT

The goal of this project is to replace or rehabilitate the existing water lines that have a high break frequency. Replacement of these water lines will improve water service, decrease burden on water maintenance operations, and reduce water loss. The Neighborhood Liaison has been contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

3.0 FUTURE MODIFICATION(S)

There are no planned modifications for this contract as it has expired and has been replaced with a new contract.

4.0 CONTRACT COMPLIANCE INFO

Stantec's contract compliance number is CC-000462 and expires 7/28/23. Searches in the Excluded Party List System (Federal) and the Findings for Recovery list (State) produced no findings against Stantec Consulting Services.

5.0 FISCAL IMPACT

Funding is available and appropriated within the Water Bond Fund, Fund 6006. An amendment to the 2022 Capital Improvement budget is necessary to align budget authority with the proper project.

6.0 MINORITY AND WOMAN OWNED BUSINESS ENTERPRISE & SMALL LOCAL BUSINESS ENTERPRISE PROGRAM

This contract was established prior to the implementation of the City's MBE/WBE Program and is not subject to the program requirements. Stantec, the prime consultant on this contract, is City-certified as a majority firm. Per the Utilization Reporting Form attached to this ordinance, Stantec plans to subcontract 10.26% of the dollar amount of the work associated with this contract modification to DHDC Engineering Consulting Services, which is a City-certified MBE company.

7.0 EMERGENCY DESIGNATION

Emergency designation is requested so construction administration and inspection services are in place for the Norris Drive Area Water Line Improvements project before construction is ready to begin on the project, avoiding a delay in the commencement of construction that would subject the City to delay charges.

To authorize an amendment to the 2022 Capital Improvement Budget; to authorize the Director of Public Utilities to modify the 2020-2022 Construction Administration and Inspection Services contract with Stantec Consulting Services for

the Norris Drive Area Water Line Improvements project; to authorize an expenditure from the Water Bond Fund of up to \$438,747.59 to pay for the project; and to declare an emergency. (\$438,747.59)
