**Council Variance Application: CV22-063**

**APPLICANT:** Havery Run LLC; c/o Laura MacGregor Comek, Atty.; 17 South High Street, Suite 700; Columbus, OH 43215.

**PROPOSED USE:** Mixed-use development.

**CITY DEPARTMENTS' RECOMMENDATION:** Approval. The applicant has received a recommendation of approval from Staff and the Development Commission for a concurrent rezoning (Ordinance #0588-2023; Z22-051) to the CPD, Commercial Planned Development District, which will permit a mixed-use development. The requested Council variance will permit ground-floor residential units and accessory residential uses. While commercial districts permit apartment units above ground-floor commercial uses, a Council variance is necessary to permit residential uses on the first floor. The request is comparable to recent mixed-use development projects in regional commercial areas, and is consistent with the "Community Commercial" and "Neighborhood Center" land use recommendations of the *Interim Hayden Run Corridor Plan* (2004).

To grant a Variance from the provisions of Sections 3356.03, C-4 permitted uses; and 3361.02, Permitted uses, of the

Columbus City Codes; for the property located at **5191 RIGGINS RD. (43016)**, to permit ground-floor residential uses as part of a mixed-use residential development in the CPD, Commercial Planned Development District (Council Variance #CV22-063).

**WHEREAS**, by application #CV22-063, the owner of property at **5191 RIGGINS RD. (43016)**, is requesting a Council variance to permit ground-floor residential uses as part of a mixed-use development in the CPD, Commercial Planned Development District; and

**WHEREAS**, by Ordinance #0588-2023 (Rezoning Application #Z22-051), Section 3356.03, C-4 Permitted uses, is utilized to identify the specific uses permitted in the proposed CPD, Commercial Planned Development District; and

**WHEREAS**, Section 3356.03, C-4 permitted uses, does not permit ground floor residential uses, while the applicant proposes to permit such uses; and

**WHEREAS**, Section 3361.02, Permitted uses, specifies limited C-4 district uses, and does not permit ground-floor residential uses, which are Residential or Apartment Residential district uses, while the applicant proposes to permit said uses; and

**WHEREAS**, the City Departments recommend approval because this request will permit mixed-use development comparable to recent mixed-use development projects in regional commercial areas, and consistent with the land use recommendations of the *Interim Hayden Run Corridor Plan*; and

**WHEREAS**, said ordinance requires separate submission for all applicable permits and Certificates of Occupancy for the proposed uses; and

**WHEREAS**, said variance will not adversely affect the surrounding property or surrounding neighborhood; and

**WHEREAS**, the granting of said variance will not impair an adequate supply of light and air to adjacent properties, or unreasonably increase the congestion of public streets, or unreasonably diminish or impair established property values within the surrounding area, or otherwise impair the public health, safety, comfort, morals or welfare of the inhabitants of the City of Columbus; and

**WHEREAS**, the granting of said variance will alleviate the difficulties encountered by the owner of the property located at **5191 RIGGINS RD. (43016)**, in using said property as desired; and

**BE IT ORDAINED BY THE COUNCIL OF THE CITY OF COLUMBUS:**
