

JEFFREY PONGONIS, FASLA, PLA

Principal, Landscape Architect

MKSK

Jeff is committed to the implementation of a meaningful and connected environment. His process is focused and mindful of both the aesthetic details of robust social spaces as well as the greater urban strategy.

Jeff's wide range of projects express his beliefs and commitment to the design of a contextual human environment. His work includes project types ranging from master planning and mixed-use development planning, openspace and park design, to academic and campus design.
