Site Information

- The 0.847 acre site is an infill annexation.
- The current use is Single Family Residence. The anticipated use is Single Family Residence.
- The site is located within the boundaries of the Northwest Plan (2016), which recommends Low Density Residential.
- The site is not within the boundaries of an area commission.
- The site does require a boundary conformance.

Key Issues

- Annexation is sought for city services.
- Planning staff have conducted a preliminary review and are supportive of the proposed use. It is consistent with the plan recommendation and terms of the City's annexation agreement with Perry Township.
- Annexation does not guarantee a zoning application will be approved. Zoning requests require a separate application process through the Department of Building and Zoning Services.

Legislative Information

- The Ohio Revised Code stipulates that once an annexation has been approved by the county, it must be accepted by the receiving municipality in order for the annexation process to be completed. The acceptance process involves a second city ordinance that may be acted upon a minimum of 60 days from the date the City Clerk receives record of the commissioner's action and a maximum of 120 days of City Council's first consideration of the second city ordinance.
