

## education

### **Master of City and Regional Planning**

The Ohio State University, 2004

### **Bachelor of Arts: Philosophy & Political Science**

Bowling Green State University, 2000

## professional experience

### **Campus Partners, Planning and Real Estate, The Ohio State University**

*Director of Community Development April 2010 – present*

Primary responsibilities include managing and executing the community development work of Campus Partners throughout the University District neighborhoods including the housing investment in Weinland Park and the commercial development along the High Street corridor. Additional responsibilities include working with neighborhood residents and stakeholders as well as Ohio State students, faculty and staff, and news media to communicate the development work and solicit input.

### **MSI Design/MKSK**

*Urban & Regional Planner, Project Manager May 2005 – April 2010*

Primary responsibilities included management of complex planning projects ranging from interjurisdictional accords to city comprehensive plans to the development of specific strategies to address the needs of a neighborhood. Clients include cities, community development corporations, public/private partnerships, townships, agencies and public entities throughout Ohio. Projects include public facilitation, graphic and written promotion, land use planning, economic development, redevelopment strategies, and focus area planning.

### **Franklin County Economic Development and Planning Department**

*Long Range Planner, May 2004 – May 2005*

*Planning Intern, August 2002 – May 2004*

Responsibilities as the long range planner for the county included assisting the townships in developing and adopting comprehensive land use plans and working on behalf of the commissioners on regional and county-wide planning projects as well as representing them on committees and organizations throughout the county.
