Rob Vogt

Real Estate Market Analyst
Columbus, Ohio, United States

Summary

Principal and partner with the real estate market research firm of Vogt Santer Insights, a firm specializing in providing real estate market feasibility studies and project consulting located in Columbus, Ohio. With over 30 years of experience in this industry, I have conducted, written and reviewed over 8,000 market analyses for market-rate and affordable Tax Credit apartments, as well as studies for single-family subdivisions, condominiums, golf course/residential developments, office, retail, and elderly housing throughout the U.S.

Specialties: Real estate market feasibility

Experience

VSI

Managing Partner

July 2010 - Present (15 years 8 months)

VSI is a national real estate research firm based in Columbus, Ohio. VSI provides clients with market studies that are precise, reliable and accurate. Serving real estate developers, syndicators, lenders, city governments and state housing finance agencies, VSI has the ability to modify their study requirements and format to meet and exceed the expectations of individual clients. The corporate staff has completed market studies in all of the 50 states, as well as in Canada, Puerto Rico and the U.S. Virgin Islands.

VWB Research

Partner

October 2002 - July 2010 (7 years 10 months)

Vogt Santer Insights succeeded VWB Research. With over 20 professionals, Vogt Santer Insights continues to be one of the leading real estate market research firms in the country.
