

RESUME

Chuck Patterson

I am a native of Columbus, a graduate of Columbus Schools and I am “married with children”. I serve as an elected member of the Greater Hilltop Area Commission and I am the current board president for the Greater Hilltop Resource Center.

I have been recognized by the Ohio House of Representatives and the Columbus Chamber of Commerce for my community service efforts.

I am very active as a commercial voice-over talent, media personality, and most recently as a stand-up comedian, performing as a member of Bingo’s Clean Comedy.

I am a staff writer and award-winning columnist for the Columbus Messenger newspapers and I am an active and enthusiastic member of my church.

In addition to my media positions, I have worked as a sales associate for AT&T Information Systems, a customer service representative, truck driver and district manager for the Columbus Dispatch, and a salesperson for Hatfield Volkswagen/Kia.
