

Born and raised in Hilliard and Columbus, Ohio, I am an Ohio University graduate with a B.A. in Sociology ('10) and currently work as an Institutional Research Analyst at Central Ohio Technical College (COTC).

In this role, I manage COTC's academic program review process, student entrance and graduate surveys, and compliance data reporting to the Ohio Department of Higher Education in addition to supporting the college's strategic planning process through the annual environmental scan and key performance indicator reporting.

Outside of work, I am a 3rd year commissioner with the Greater Hilltop Area Commission and commissioner-elect, 2026-2028. I have served as commission secretary for 3 years, am the Chair of the Human Services and Education committee, and am a member of the Finance, Parks and Recreation, and Government and Legislation committees. I also participate in various city and agency opportunities each year in an effort to advance priorities for west Columbus.

I have many hobbies including cycling, skateboarding, seeing live music, travelling, cooking, baking, gardening, watching movies, reading, and spending time with my fiancé, Anna, and our two cats, Novello (5) and Hitchcock (4).
