I authorize Williams to do the above repair and/or service work, including the installation of all parts and materials to complete such work and incurring travel expense, and grant Williams and/or its agents permission to operate the above equipment or engine on streets, highways or elsewhere for testing and/or inspection. I acknowledge that Williams shall have an express mechanic's or repairman's lien on the equipment or engine to secure the amount due for the above work. I understand that failure of the manufacturer to reimburse Williams shall not alleviate me from the responsibility of the cost of such repairs. Williams shall not be responsible for loss or damage to the vehicle/equipment or to articles left with the above vehicle/ equipment in case of any fire or theft, or any cause beyond your control. In the event that the account for the above work is referred for collection, I agree to pay the account plus interest at the maximum allowable rate, reasonable attorney's fees and court costs. I authorize Williams to dispose of any parts and materials which are replaced in connection with the above work unless otherwise expressly indicated. Vehicles and Equipment left at Williams location more than 30 days after notice of completion will be towed, and I will be responsible for the cost of towing and storage.
