Thank You Deryl I'm looking forward to working with you also.

Sorry Deryl I missed that Only 1. Feel free to correct that if you wish.

This spec was originally written for a purchase of two trailers a couple years ago.

Congrats on your new position Kevin I'm looking forward to working with you!
John shot this over to me, Question the spec starts out as requesting one trailer and 3.3 ask for two trailers please advise one or two?

John please review and approve this spec.
The trailer will replace BT#23925

Thank You
