- The site is located within the boundaries of the Northeast Area Plan (2007), which recommends Office-Light Industrial. The planning area has Early Adoption of Columbus Citywide Planning Policies (C2P2).

Key Issues

- Annexation is sought for development of a multi-family apartment community.
- Planning staff have conducted a preliminary review and are supportive of the proposed annexation. Staff notes that this annexation is in relation to a nearby annexation case (AN25-010) approved in September 2025.
- Annexation does not guarantee a zoning application will be approved. Zoning requests require a separate application process through the Department of Building and Zoning Services. Staff notes that rezoning case (Z25-050) is currently active at the site.

Legislative Information

- The applicant must provide a statement of municipal services to the county for their consideration within 20 days.
- The annexation is tentatively scheduled for consideration at a Franklin County Commissioner hearing.
- The Ohio Revised Code stipulates that once an annexation has been approved by the county, it must be accepted by the receiving municipality in order for the annexation process to be completed. The acceptance process involves a second city ordinance that may be acted upon a minimum of 60 days from the date the City Clerk receives record of the commissioner's action and a maximum of 120 days of City Council's first consideration of the second city ordinance.
