Dan, these are approved.

Fiscal staff notice the delivery address as Fairwood. May want to change to be delivered to Fleet Management on Groves Road for check-in, brass tag, etc.

Subject: 2020 and 2021 Director Approval

Jon,
Attached are confirmation sheet estimates for 11 light duty vehicles in addition to specifications for 3 trailers, a golf cart and a mini track loader for Director approval. These are all of the items we discussed purchasing in our meeting in August. There are 6 light duty trucks which were originally scheduled for 2020 and 5 light duty vehicles budgeted for

2021. All specs attached are for items budgeted for 2021. The money for the light duty vehicles will need to be legislated while all bid items will be informal type. Let me know if there are any questions on these items.
