

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/State</u>	<u>Status</u>
City of Reynoldsburg	31-6400909	Reynoldsburg/OH	local gov't

*This is a reimbursement between the City of Reynoldsburg and the City of Columbus.

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**
Project was publicly bid by the City of Reynoldsburg and awarded to Downing Construction.

3. **List the ranking and order of all bidders.**
N/A

4. **Complete address, contact name and phone number for the successful bidder only.**
City of Reynoldsburg
7232 East Main Street
Reynoldsburg, Ohio 43068
Mike Root, Water/Wastewater Superintendent, (614) 322-4500
Nathan Burd, Director of Public Service
The Honorable Brad McCloud, Mayor, (614) 322-6800

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**
The Division of Water agreed to pay the City of Reynoldsburg a portion of the cost for installation of an altitude valve at the Taylor Road water storage tank site. The terms stated by the City of Columbus was 50% of the construction and labor cost, up to a maximum amount of \$30,000.00.

(Additional work was completed at the site to comply with Ohio EPA requirements, but this work is not included in the reimbursement by the City of Columbus.)

The Planning Area is "Far East".

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

The work was completed in November, 2015.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

Cost-sharing benefits both the City of Columbus and the City of Reynoldsburg. The cities have a history of cost-sharing to develop and improve the site to service both communities. This addition will improve operations of the tank within the Columbus distribution system.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The maximum total cost of reimbursement by the City of Columbus is \$30,000.00.
