- The 166.2 acre site is a fringe annexation.

Key Issues

- Annexation is sought to acquire city services for development purposes.
- Planning staff have conducted a preliminary review and are supportive of the proposed use. It is generally consistent with the plan's recommendation and serves a public purpose.
- Annexation does not guarantee a zoning application will be approved. Zoning requests require a separate application process through the Department of Building and Zoning Services.

Legislative Information

- The Ohio Revised Code stipulates that once an annexation has been approved by the county, it must be accepted by the receiving municipality in order for the annexation process to be completed. The acceptance process involves a second city ordinance that may be acted upon a minimum of 60 days from the date the City Clerk receives record of the commissioner's action and a maximum of 120 days of City Council's first consideration of the second city ordinance.
