

Information to be included in all Legislation authorizing entering into a Contract:

- 1. The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSO.**

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>City/State</u>	<u>Status</u>
Ralph & Curl	31-1067613 / 8/16/14	Columbus, OH	MAJ

- 2. What type of bidding process was used (ITB, RFP, RFSO, Competitive Bid).**

RFP

- 3. List the ranking and order of all bidders.**

1. Ralph & Curl.

- 4. Complete address, contact name and phone number for the successful bidder only.**

ROBERT CURL
RALPH AND CURL, ENGINEERS
3620 N. High St. B-4,
COLUMBUS, OHIO 43224
(614) 206-7991

- 5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.**

The purpose of this project is to provide the Laurel Canyon area with underground decorative street lighting as per the requests of the residents.

- 6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

The duration of the design phase for this project is approximately 6 months. This timeline includes minimal engineering services during the construction phase of the project. Part of the Engineer's scope of work is to provide record drawings after the construction of this project. Therefore the contract completion date cannot be determined at this time.

- 7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The goal of this project is to respond to public requests for decorative lighting within the project area. Installing a decorative underground system will provide street lighting, and add to the landscape of the area.

The Neighborhood Liaison(s) will be contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

- 8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

\$46,382.16

9. Sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR):

<u>Name</u>	<u>C.C. No./Exp. Date</u>	<u>Status</u>
Columbus Engineering Consultants	31-0716498 / 4/18/14	AS1

10. Scope of work for each subcontractor and their estimate of dollar value to be paid.

Columbus Engineering will be acting as a reviewer and consultant to Ralph and Curl in regards to the surveying requirements of the project. Columbus Engineering has an extensive knowledge base regarding the City of Columbus specifications for the Division of Power and Water.

Note: The Contract should be considered to include any and all work that is anticipated to be awarded to the company awarded the original contract throughout the contract/project timeline. This includes the original contract and any and all future anticipated modifications to the contract to complete the contract/project.
