

Ashley Montana (she/her) has lived in the Greater Hilltop since 2020 with her husband and 2 cats. After completing her Bachelor of Science in City & Regional Planning at The Ohio State University, Ashley started at Franklinton Development Association in October 2016. She is the Community Engagement Director at FDA, a non-profit and community development organization in Franklinton. At FDA, she manages the Financial LifeSkills Program, runs the social media accounts, updates Franklinton.org and HilltopUSA.org, plans neighborhood events, and oversees the Empowerment Grants. She formerly served as a Commissioner on the 5th by Northwest Area Commission from 2016-2019.
