Chief Operating Officer | Growth, Operations & Revenue Leader

Strategic and hands-on business operator with a track record of scaling consumer brands, building high-performing teams, and driving profitable growth. Experienced in translating vision into execution across sales, operations, marketing, and financial performance. Known for building systems from the ground up, strengthening operations, and leading teams through periods of rapid growth and change.

Professional Experience

Chief Operating Officer – And Here We Are (2025–Present)

- Lead day-to-day business operations across sales, marketing, fulfillment, and finance
- Own P&L performance, budgeting, and financial strategy
- Develop and execute company-wide strategy and align teams to revenue goals
- Oversee sales strategy, key accounts, and wholesale partnerships
- Build and optimize fulfillment, inventory, and production processes
- Lead hiring, team development, and organizational structure
- Implement systems for reporting, forecasting, and execution

Part Owner & Operator – Land-Grant Brewing Company (2016–2025)
