Dear Dr. Roberts,

Project No. 02520011RH1122

The Ohio Department of Health has received additional one-time funding from Title X to support the enhancement of telehealth infrastructure, preparing for the transition to FPAR 2.0, and/or expanding provision of the Title X family planning services. The **additional** funds should support the enhancement of telehealth services and/or expanding provisions of Title X family planning services provided under Deliverable 2, through March 31, 2021.

Your agency is eligible to receive **\$16,531** in additional RHWP funds. Your agency must submit a budget revision based on \$1,006,531. Your budget revision must be submitted no later than **January 3, 2022**, via the (Internet) Grants Management Information System (GMIS) and in accordance with ODH Grants Administration Policies and Procedures (GAPP), or **your agency may lose its opportunity for these additional funds.**

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year.

If you have any questions, please contact your RHWP Consultant or Michelle Clark at Michelle.Clark@odh.ohio.gov or 614-728-0774.

Sincerely,

Dyane Gogan Turner
