

Dewberry Rd. Area Water Line Improvements (CIP 690236-100077), CT No. 2052 & Elwood Ave./ Stambaugh Ave./ Buckeye Park Rd. Storm Sewer Improvements, CIP 650113-100000 / 610762-100000

Information to be included in all Legislation authorizing entering into a Contract:

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

Name	C.C. No./Exp. Date	DAX #	City/State	Status
Elite Excavating of Ohio	20-1643186 – 6/22/19	001064	Mansfield, OH	MAJ
Beheler Excavating, Inc.	30-0160262 – 11/21/19	003956	Fredericktown, OH	MAJ
Darby Creek Excavating	31-1345111 – 2/19/18	005129	Circleville, OH	MAJ
Underground Utilities	34-1248942 – 3/15/19	006588	Monroeville, OH	MAJ
Shelly & Sands, Inc.	31-4351261 – 12/23/17	006043	Columbus, OH	MAJ
Danbert, Inc.	31-1029004 – 7/6/18	004618	Plain City, OH	MAJ
Conie Construction Co.	31-0800904 – 3/2/19	004320	Columbus, OH	MAJ
Trucco Construction	31-1293605 – 5/6/18	004988	Delaware, OH	MAJ

2. **What type of bidding process was used (ITB, RFP, RFSQ, Competitive Bid).**

Formal, competitive bids were opened on November 15, 2017.

3. **List the ranking and order of all bidders.**

1. Elite Excavating Co. of Ohio, Inc.	\$4,267,898.31
2. Beheler Excavating Inc	\$4,392,205.73
3. Darby Creek Excavating, Inc	\$4,551,299.04
4. Underground Utilities, Inc.	\$4,629,639.52
5. Shelly & Sands, Inc.	\$4,726,580.30
6. Danbert, Inc	\$5,348,836.79
7. Conie Construction Co.	\$5,414,780.80
8. Trucco Construction	\$6,129,121.63

4. **Complete address, contact name, phone number, and e-mail address for the successful bidder only.**

Elite Excavating Co. Ohio, Inc.
 4500 Snodgrass Rd., Mansfield, OH 44903
 M. Scott Fulmer, President
 Patricia (Trish) Ann Fulmer, V.P./Treasurer, (419) 683-4200, eliteexcavating@aol.com

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

The purpose of the Water project is to construct necessary improvements to the water distribution system and includes open-cut installation of approximately 4,600 linear feet of 6-inch water main, 16,500 linear feet of 8-inch water main, and 20 linear feet of 12 and 16-inch water main. The improvements will replace water lines that have high break histories and require frequent maintenance.

ORD NO. 3309-2017

The purpose of the Stormwater project is to construct approximately 2,200 feet of 12-inch to 21-inch storm sewer and catch basins necessary to address street and yard flooding throughout the area including improvements to drainage along Elwood Avenue and the rear of properties along Stambaugh Avenue.

This project is in the “Far South” Planning Area and includes the following streets: Dewberry Rd., Elwood Ave., Stambaugh Ave., Buckeye Park Rd., Curtis St., Eagle Ave., Bellevue Ave., Lawndale Ave., Glendower Ave., Wilson Ave., Studer Ave., Evergreen Rd., Grovewood Dr., Clarfield Ave., and Augmont Ave.

6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

Contract work is required to be completed in a manner acceptable to the City within 546 days from the date that a Notice To Proceed (NTP) is given by the City. The City anticipates issuing a Notice to proceed on or about February 20, 2018.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

The goal of the water project is to replace or rehabilitate the existing 6-inch and 8-inch water lines that have a high break frequency. Replacement of these water lines will improve water service, decrease burden on water maintenance operations, and reduce water loss.

The goal of the stormwater project is to improve drainage along Elwood Avenue and the rear of properties along Stambaugh Avenue and eliminate street and yard flooding throughout the area.

The Neighborhood Liaison(s) will be contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$4,267,898.31, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$4,267,898.31
Future Anticipated Needs	\$ 0.00
CONTRACT TOTAL	\$4,267,898.31

*Construction Administration / Inspection will be performed by the Department of Public Service.
