**Subject:** RE: 2018 Apparatus Purchase Plan

Fleet Approves the Capital Buy plan for the below listed apparatus and medics. And is in agreement with CFD to purchase off of existing state term contracts as in the past—but I believe the Sutphen Platform is a UTC contract established by Purchasing through the RFP process.

Thanks  
John

John

The Division has received quotes for the following apparatus for 2018. All trucks would be purchased off current State Term Contract. Would you please review this plan and let me know if Fleet has any concerns.

| Qty | Item                        | Cost                   | Total                  |
|-----|-----------------------------|------------------------|------------------------|
| 1   | Pierce Tiller Ladder        | \$1,309,296            | \$1,309,296            |
| 1   | Sutphen Platform Ladder     | <del>\$1,319,197</del> | <del>\$1,319,197</del> |
| 5   | Sutphen Engines             | \$626,733              | \$3,133,665            |
| 3   | Horton Ford Medics          | \$285,973              | \$857,919              |
| 2   | Horton International Medics | \$304,855              | \$609,710              |
