Comments

Tyler's quote contains estimates of the amount of services needed, based on our preliminary understanding of the size and scope of your project. The actual amount of services depends on such factors as your level of involvement in the project and the speed of knowledge transfer.

In the event Client cancels services less than two (2) weeks in advance, Client is liable to Tyler for (i) all non-refundable expenses incurred by Tyler on Client's behalf; and (ii) daily fees associated with the canceled services if Tyler is unable to re-assign its personnel.

- ***TC will not require any additional installation. Customer will use installation currently in place
- ***Configuration of TC will be very similar to existing setup.
- ***The needs analysis phase will be to confirm current requirements rather than develop new requirements
- ***No custom documentation
- ***No customizations or interfaces or integrations

Prices submitted in the quote include ESTIMATED travel expenses incurred in accordance with Tyler's then-current Business Travel Policy.

***Services and associated expenses are billed as provided/incurred.

Payment is due within 30 days of invoice receipt. Quote is subject to existing Contract.
