Dear Dr. Roberts:

The Ohio Department of Health (ODH) is reallocating \$22,250.00 in funds to increase your total award to \$111,250.00. Your agency must submit a budget revision based on \$111,250.00 in total funds no later than Monday, July 8, 2024, via the online Grants Management Information System (GMIS) and in accordance with Ohio Grants Administration Policies and Procedures (OGAPP), or your agency may lose its opportunity for these additional funds.

For this reallocation, \$22,250.00 is for providing dental sealants to students in qualifying schools in the School-based Dental Sealant Program and should be added to the GMIS budget for Deliverable 1.

Your agency will receive a revised Notice of Award after the budget revision is approved by ODH. Since this budget revision is required by ODH to adjust your grant award, it will not count against the number of budget revisions available this fiscal year.

If you have any questions, please contact Tina Fulks, School-based Oral Health Program Coordinator, via email at [Tina.Fulks@odh.ohio.gov](mailto:Tina.Fulks@odh.ohio.gov).

Sincerely,

*Dyane Gogan Turner*
