5. A description of work performed to date as part of the contract and a full description of work to be performed during any future phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.

Resource International will perform construction administration/inspection services for Department of Public Utilities Capital Improvement Projects that bid during the years 2020, 2021, and 2022. The contract will be modified as needed throughout the 3 year period to include these projects as they go to construction. Projects are located throughout the City of Columbus.

Projects under Modification No. 6 include:

- North District West Tank 2022 Painting Improvements, CIP No. 690477-100017; Planning Area = 39 – Clintonville; \$390,488.14
- Third Avenue Relief Phase 3, CIP No. 650768-100003; Planning Area = 42 – Fifth x Northwest; \$497,957.54
- Pedestrian Safety Improvements, CIP No. 590105-100115; Planning Area = 42 – Fifth x Northwest; \$62,635.80

6. An updated contract timeline to contract completion.

*For CA/CI agreements:

- a. The original agreement allowed for work is to be completed within the timeframe established by the individual construction contracts.
- b. The expiration date of this agreement is also to be completed within the timeframe established by the individual construction contracts.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

Division of Water projects include replacement or rehabilitation of water lines that have a high break frequency and valves that are inoperable. Replacement of these water lines will improve water service, decrease burden on water maintenance operations, and reduce water loss. The Neighborhood Liaison(s) will be contacted and informed of this project during the design phase. Further community outreach may result through the Neighborhood Liaison Program.

8. A description of any and all modifications to date including the amounts of each modification and the Contract Number associated with any modification to date. (List each modification separately.)

This is a multiyear contract that will be modified as required to provide construction administration/inspection services for construction projects that bid during the three year (2020-2022) timeframe.
