Bio:

I am a lifelong resident of Columbus. I graduated from Southwestern City Schools. I have a bachelor’s of Business Administration with a specialization in Human Resources from The Ohio State University. I also have a Master’s of Library and Information Science from Kent State University.

I work for the Columbus Metropolitan Library as an Organizational Development Specialist in Human Resources. I serve on my church council at Grace of God Lutheran Church currently I'm Secretary I've also been Chief Financial Officer in previous terms.

I want residents of the Westland area to feel safe in their neighborhoods and have access to healthcare and other social services. I also want to continue look for business development opportunities so residents that are seeking employment can find opportunities that supports their families.
