RELEVANT EXPERIENCE

Green Columbus

Executive Director

Earth Day Director

Columbus, Ohio

July 2022 – Current

January 2022 – June 2022

- Organizes 5,000+ volunteers annually to complete environmental projects.
- Manages \$300,000 in grant funding annually to support urban restoration programs.
- Promotes tree equity through education and community-based tree planting, with nearly 200,000 trees planted across Central Ohio and the Linden Native Tree Nursery.

Friends of the Lower Olentangy Watershed (FLOW)

Fellow, The Columbus Foundation

Columbus, Ohio

June 2022 – December 2021

- Gained hands-on experience in the nonprofit sector by immersing into conservation efforts including tree planting, invasive species removal, and prairie maintenance.
- Worked to enhance policies, development opportunities, and database organization.

Ohio State Office of Energy Management and Sustainability

Sustainability Lead, Special Events – Student Life

Columbus, Ohio

February 2020 – May 2021

- Created and scheduled social media content for Ohio State's Green Buckeyes account.
- Collaborated with student leaders across campus to develop recycling outreach programs.
