Total for provider:		\$1,838,385.11	\$535,586.83					
----------------------------	--	----------------	--------------	--	--	--	--	--

Notes:

1. The contract year allocations are contingent on receipt of planned federal, state, and local award amounts to ADAMH.
2. **Encounter Claim Status: Required - Block grant requires encounter claims, Exempt - Block grant is exempted from encounter claims, Exempt 80%T - Block grant requires encounter claims, but does not have to meet the 80% threshold.
3. The state fiscal year (SFY) is indicated by the last digit of the project code.
4. Y in the Carry over column indicates that the allocation amount is carried over from the prior contract year to the current contract year and needs to be used before using other allocations for the block grant when available..
5. Allocation Line Subtype - The value NA in this column indicates that this column is "not applicable" for the block grant.
