Subject: 2022 DOP Bucket Truck Approval

Jon,

This is a request for approval to move forward with legislation for the purchase of 2 - 60 foot bucket trucks for the Division of Power. These items are in the budget for 2022. These will be replacing BT 21697 and 21913.

21697	Vehicle is 17 years old and 7 years past Fleet's life cycle replacement standard. Vehicle also has 178,346 miles as of last repair order replacement recommendation is 150k
21913	Vehicle is 14.5 years old and 4.5 years past Fleet's life cycle replacement standard. Repair cost is at 178,476.14 mileage is at 131520

These trucks will be purchase from a best value bid from PA004943. The current quote for these trucks is \$351,321 meaning a total request for legislation of \$702,642.00
