UCL, Inc.

2025 Stapleton Ct.

Cincinnati, Ohio 45240

Pete Kontopes, President, (513) 674-1666, unitedpainting@fuse.net

5. A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract.

The work consists cleaning and overcoating the existing exterior paint schemes on the Henderson East (1MG) & West (1MG) elevated storage tanks and removing and replacing the interior wet coating system and spot repairing and painting the interior dry areas of the Walcutt (2MG) elevated storage tank, and other such work as may be necessary to complete the contract in accordance with the specifications set forth in the Bid Submittal Documents.

6. A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.

Contract work is required to be completed in a manner acceptable to the City within 120 days from the date that a Notice To Proceed (NTP) is given by the City.

7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.

There are currently 37 water tanks in the distribution system maintained by the City of Columbus, Division of Water. To keep these tanks in optimal condition, the equivalent of two tank interiors and exteriors need to be recoated each year. The Henderson East & West tanks need to be recoated at this time. Additionally, there are significant paint failures on the interior of the Walcutt 2 MG elevated tank that need addressed as well as paint failures and spot repairs to the interior dry area.

8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.

The bid amount and proposed award amount is \$927,245.00, including a 15% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract (Henderson)	\$ 533,600.00
Original Contract (Walcutt)	\$ 393,645.00
Future Anticipated Needs	\$ <u>0.00</u>
CONTRACT TOTAL	\$ 927,245.00
