

**Information to be included in all Legislation authorizing entering into a Contract:**

1. **The names, contract compliance no. & expiration date, location by City/State and status of all companies (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR) submitting a competitive bid or submitting an RFP or RFSQ.**

<u>Name</u>	<u>C.C. No. /Exp. Date</u>	<u>City/State</u>	<u>Status</u>
Kenmore Construction	34-0802152 / 08/06/2020	Akron / OH	XXX
The Righter Company	31-0889208 / 01/19/2020	Columbus / OH	XXX

2. **What type of bidding process was used (ITB, RFP, RFSQ, or Competitive Bid).**

Competitive Bid

3. **List the ranking and order of all bidders.**

1. Kenmore Construction
2. The Righter Company

4. **Complete address, contact name, phone number, and e-mail address for the successful bidder only.**

William A. Scala  
 700 Home Avenue  
 Akron, OH 44310  
 (330) 762-9373  
[info@kenmorecompanies.com](mailto:info@kenmorecompanies.com)

5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

This project will replace the existing digester gas piping at the Jackson Pike Wastewater Treatment Plant. A valve will be added at the top of each digester and 5 isolation valves will be replaced on the gas lines. All piping will be insulated stainless steel.

Planning Area: 99 – Citywide

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

**\*For construction contracts:**

Contract work is required to be completed in a manner acceptable to the City within 600 days from the date that a Notice To Proceed (NTP) is given by the City.

**7. A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The current digester gas piping is cement lined, ductile iron pipe that is past its useful life. By replacing the piping, we are reducing the amount of patching required to the piping. This replacement will also reduce the chance of a digester gas (methane) leak into the atmosphere.

**8. An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$941,775, including a 10% construction contingency amount that will be utilized to fund needed and approved changes in the work. No contract modifications are anticipated at this time; however, construction exigency might later compel modification of this contract, if unforeseen difficulties are encountered.

Cost summary:

Original Contract	\$941,775.00
<hr/>	
CONTRACT TOTAL	\$941,775.00

**9. Subconsultant information**

**\*For engineering agreements:**

Information regarding subconsultants should be submitted on the Subcontractor Work Identification Form Located on the Fiscal Intranet site under “DPU Fiscal Forms” (see link): <http://dpuweb/DPUFiscal/tabid/148/Default.aspx>

This form should have sub-Consultants identified to work on this contract, their contract compliance no. & expiration date, and their status (NPO, MAJ, MBE, FBE, HL1, AS1, or MBR), name, C.C. No./Exp. Date, status, brief Scope of work for each subcontractor, and their estimate of dollar value to be paid.
