Kelly,

Please take another look at our wish list and let me know you thoughts. I have included additional explanations that will address some of the questions you and I discuss earlier this week. Also, you will pleased to know we identified 4 more pool units that can be disposed of.

BT#	Make/Yr	Mileage
18536	1996 Chev Corsica	46,840
13999	1990 Dodge Spirit	106,294
18036	1994 Plymouth Acclaim	33,655
18868	1998 Dodge Stratus	88,875

Due to the ordering cut-off date of April 4, we are concerned that we could miss the first ordering cycle. If you need more information, I can arrange a conference call with our fiscal group.....just let me know.

Thanks again for your help,

Jim
