5. **A full description of all work to be performed including a full description of work to be performed during any known phasing of the contract. The planning area should also be listed as well as any street or neighborhood names.**

This contract will rehabilitate up to three raw water screens at the Dublin Road Water Treatment Plant. Rehabilitation will include removal of the screen, shipment to the vendor's facility, removal of existing coatings and installation of new coatings, and replacement of wear parts with new parts, shipment back to the plant, and reinstallation.

The first screen will be rehabilitated in 2020 (original contact), the second screen will be rehabilitated in 2021 (renewal #1) and the third screen will be rehabilitated in 2022 (renewal #2).

Community Planning Area = "99 – Citywide" since the DRWP serves multiple planning areas.

6. **A narrative timeline for the contract including a beginning date, beginning and ending dates for known phases of the contract and a projected ending date.**

It is anticipated that one screen will be rehabilitated per year in 2020, 2021, and 2022. The contract end date is anticipated to be December 31, 2022.

7. **A narrative discussing the economic impact or economic advantages of the project; community outreach or input in the development of the project; and any environmental factors or advantages of the project.**

The DRWP provides potable water to a large portion of the City’s service areas and the raw water screens are a critical component of the water treatment process. This project is necessary to maintain the reliability of the water treatment process. All work will be conducted within secure areas of the water plant that is not accessible to the public, so no public meetings are anticipated.

8. **An estimate of the full cost of the Contract including a separate estimate of any and all phases or proposed future contract modifications.**

The bid amount and proposed award amount is \$137,170.00, including a 10% contingency amount that will be utilized to fund needed and approved changes in the work.

Two future contract renewals are expected for 2021 and 2022. Atlas-SSI, Inc. has provided pricing for these renewals in their current bid.

Cost summary:

Original Contract	\$137,170.00
Renewal #1 (future)	\$137,170.00
Renewal #2 (future)	<u>\$137,170.00</u>
CONTRACT TOTAL	\$411,510.00
