

**CITY OF COLUMBUS
SOLE SOURCE INFORMATION FORM**

TO ACCOMPANY LEGISLATION WHICH WAIVES ANY PROVISIONS OF COLUMBUS CITY CODES
CHAPTER 329
(PLEASE LIMIT YOUR RESPONSE TO THIS SHEET)

-
1. Verification of sole source:
(Why no other individual or business is capable of supplying the needed item)

- sole manufacturer/distributor
- sole company offering this unique service (manufacturer's warranty/product support)
- other _____

-
2. Describe efforts to determine that the company was a sole source:

Coplogic, Inc. is the only manufacturer and distributor of this type of unique Online Reporting System. Letter from the company is attached.

-
3. Describe any effort to bid for alternate item (service or product) that is not provided by a sole source that would meet this need:

Internet research shows that most on-line reporting products are services and not a product that can be purchased and modified as we need to modify it. Cologic is a product that the Division of Police can purchase, can modify to the needs of the Division of Police and the Division of Police will own. Most products of this nature offer a service only and the Division of Police data would be sent to another party for processing. This system allows the Division of Police to administrate it and own our data and it will not be sent out of the Division of Police's network. In addition, this product is proven to work in the law enforcement environment and Motorola is the Division of Police's provider of records management system and this product has been integrated successfully with prior Motorola records management systems.

-
4. Indicate how the price or fee structure was determined:

Negotiations were conducted with Coplogic, Inc.
